**Mr Muhammad Riaz**

FRCSI, FRCS (Glasg), FRCS Ed, FRCS (Plast)

Consultant Plastic, Reconstructive & Aesthetic Surgeon

Mr Riaz has worked as a Consultant Plastic, Reconstructive & Aesthetic Surgeon since 1998 and is currently working in the UK for Hull University Teaching Hospitals NHS Trust and also through local private hospitals in the Region. Mr Riaz also has recently started working from MACS Clinic, Watford. He graduated in 1983 from Nishtar Medical College in Pakistan and finished his post-graduation in general surgery in 1991 in the UK. Following that he trained in Plastic Surgery in the UK and Ireland and obtained FRCS (Plast) in 1998. He worked as a Consultant in Belfast before returning to Pakistan. He had the passion to do voluntary work for his parent institution which he did from 1999-2001 for three years and established a Burn & Plastic Surgery Unit in Nishtar Hospital, Multan. Mr Riaz returned to the UK in January 2002 and also went to spend some time with a very renowned group of Aesthetic Plastic Surgeons in Atlanta, USA, before taking his substantive Consultant Plastic Surgeon post in Hull from January 2004. He has several publications in Plastic & Hand Surgery Journals. He has also presented his experience and work nationally and internationally. He has developed his own techniques of face and neck lift and breast surgery.

Mr Riaz specialises in a wide variety of procedures including blepharoplasties, face and neck lift, rhinoplasty, breast enhancement, uplift and reduction procedures. Mr Riaz also offers all types of tummy tucks and post-weight loss surgery.

Mr Riaz has an honorary appointment with the Academic Staff of Hull York Medical School (HYMS). His role is of Senior Clinical Tutor and involves teaching, research and Mentorship. He is also an Honorary President of HYMS Plastic Surgery Society. Mr Riaz is also Honorary Visiting Professor of Plastic Surgery for Nishtar Hospital, Multan, Pakistan.

Mr Riaz is also involved in charity work. He is a trustee of OPSA (Overseas Plastic Surgery Appeal), a charity based in Hull. OPSA supports treatment of children with cleft lip & palate in the developing world and also teaching and training in plastic surgery. OPSA has developed a dedicated Cleft Hospital in Gujrat, Pakistan. Mr Riaz leads the OPSA team twice a year and goes to Gujrat, Pakistan. Mr Riaz has been doing this work for over 20 years.

Mr Riaz is an aesthetic surgery trainer for BAAPS/BAPRAS and regularly hosts Fellows for training in aesthetic surgery. Mr Riaz also regularly runs training programmes in aesthetic surgery outside the UK. Mr Riaz has recently been appointed as Plastic Surgery Lead for International Postgraduate Deanery of the Royal College of Surgeons of Edinburgh. Mr Riaz received the Lord Mayors Civic Crown Award for 2020 for his charity and community work and also for teaching and training. Mr Riaz is working with national bodies to improve teaching and training opportunities in aesthetic surgery in the UK to provide the best care to aesthetic surgery patients.
